GIANT FAIR HERE

SATURDAY, MAY 28th, 1960

Residents of Griesbach are to be treated to an Annual Community Fair on Saturday, May 28th. This significant event will be an attempt to provide our citizens with a day's amusement similar to that conducted last year by No. 1 Home and School Association.

The Fair will be located at No. 1 School grounds and will contain entertainment and fun for all ages. The Association's Ways and Means Committee are co-ordinating all preparations, but most individuals and community organizations are voluntarily lending a hand to help in making this ambitious undertaking a success.

The youngsters will find much to amuse themselves. There will be rides including a Ferris Wheel, a Merry-go-round and a car ride. Many games suitable for children, will be set up and refreshments of a variety and quality to delight the palate of any youngsters. For example, hot dogs, candied apples, hot pop corn, condy floss, ice cream and drinks of all descriptions, are only some of the goodies which will be offered.

The children will also have an opportunity to win valuable prizes in several competitions. All the pupils of both schools are eligible to compete for prizes to be given for the best posters advertising the Fair. Final judging of the best entries will take place at the Fair. Every youngster on wheels can enter the bicycle and tricycle decorating contest and all owners of any breed of dog from boxer or dachshund or any combination of breeds in between can enter their little "toil-waggers" in the Mutt Show. Leaflets describing all competitions have been circulated to PMQs.

Although everything is being done to keep the youngsters happy, the parents are not being forgotten. Several somewhat more sophisticated games will be available for their amusement. In addition, golf pitching and putting competitions will be held throughout the day. A bingo game will be in operation in a large marquee tent.

The Committee has even thoughtfully planned a large tea tent where weary adults can sit down for a refreshing cup of tea or coffee and discuss Community goings-on.

So when you see an impressive tent town rising at No. 1 School on the afternoon of Friday, May 27th, you will know we are not being invaded by some foreign army, but that the Fair is taking shape. Let us hope for a really fine sunny day on the 28th and let's all go and make this an enjoyable and successful family holiday. Things are due to start rolling at 11:00 a.m. and will continue into the evening.

Damage in Griesbach PMQ Area

Further complaints have been received of damage to PMQs, windows, car and trailers, etc. resulting from firing of air rifles or air pistols in the Griesbach PMQ Area.

Under the Criminal Code of Canada it is an offence for children under 14 years of age to carry air rifles, air pistols, etc. unless accompanied by an adult. Under PMQ Standing Orders it is unlawful to fire these weapons in the PMQ Area.

Effective immediately the Edmonton Provost Detachment have been instructed to confiscate all weapons including air rifles and air pistols that are found in possession or being carried by children who are under the age of 14 years in the Griesbach PMQ Area, unless such children are accompanied by an adult.

ONE LIFE

One life and one alone we have to live upon this little earth.

One life in which to learn so much — to seek and find and prove our worth.

So many dreams there are to dream — so many things to know and do.

So many peaks to climb — so many paths ways to pursue.

So waste no time on fruitless quests that get you nowhere in the end.

The gold of time is yours to squander or with care to use and spend.

It is folly to postpone good deeds. Tomorrow never comes, they say.

The future time belongs to God. Your only chance is now — Today.

— Patience Strong.

Minister Awards Citizenship

CERTIFICATE OF CITIZENSHIP is awarded to Yoshie Bones by Citizenship and Immigration Minister Ellen Fairclough in a brief ceremony at the Edmonton Court House. The new Canadian is the wife of Cpl. Charles Bones, a member of the Regular Army stationed in Edmonton with No. 17 Regional Ordnance Depot, Royal Canadian Ordnance Corps. The soldier married his wife while on duty in Japan in 1955. Mrs. Bones was living in Hiroshima when the atom bomb was dropped but suffered only moderate burns. Included in the photograph is son Alan, age 3.

Trailer Coach Park Regulations Revised

Revised Alberta regulations governing trailer coaches and trailer coach parks make provision for three types of mobile home parks in the province — permanent, temporary and tourist. The new regulations became effective January 1.

The standard of new permanent parks and services provided will be raised as a result of the changes in regulations. Minimum square area of one trailer lot has been increased from 11,500 square feet to 1,925 square feet or a lot 35 feet by 55 feet. Operators will be required to provide, in one general playground, an area computed on the basis of 100 square feet for each trailer. Plumbing connections will have to be provided for each coach, as well as a minimum water supply of 150 gallons per day, and suitable laundry room equipment.

The development of temporary and tourist parks is also controlled by regulations. A temporary park, particularly one set up in a new oil producing area, can operate on a one year permit issued by the local board of health. It must comply with strict sanitary regulations.

Operators of tourist trailer reception areas must provide toilet facilities, a safe water supply, garbage receptacle and a disposal service.

Tourists may stop at a trailer park only for a period of ten days. A further ten day extension may be granted by the local board of health. Wheels or running gear of tourist trailers must not be removed during a stopover.

A restriction has been placed on the size of porches built onto trailers parked at a permanent court. The additions may not be built higher than the trailer itself and may not exceed six feet in any direction.

The new regulations also prohibit parking a trailer coach on any public street, lane or travelled portion of any highway.

Major and Mrs. Middlemiss and Mrs. Delaney of the Senior Executive presided at the meeting, along with the Junior Executive and Teens. Dave Shortt, president, explained the situation to the members concerning the Teen Club's funds. He said that the executive may not spend an excess of \$10 without first having a general meeting.

Jim Salmond, vice-president, took the floor and explained some of the future activities we hope to have. The record of events for the month of May, as proposed by the executive was read:

- May 7 — CJCA Platter Party
- May 13 — Regular Record Hop
- May 20 — Weiner Roast
- May 27 — General Meeting and dance.

Major Middlemiss asked if we would like to have some other form of entertainment other than dances. He suggested sports, such as baseball and softball teams. All Teens interested in this idea please get in touch with Jim Salmond.

The next general meeting will be Friday, May 27 at 8 o'clock. We hope to have a good turn-out, seeing that this will be the last meeting until September.

Namoo Teens Host Dance

On May 6, the Namoo Bowling Teen Club had their annual bowling banquet and dance. The Namoo Teens extended their invitation to the Griesbach Teens to be present at the dance, which started at 9 p.m. and ended at 1 a.m.

The Griesbach Association made it possible for the Teens to attend this dance by chartering a bus to take us to and from the dance.

Major and Mrs. Middlemiss and Capt.

and Mrs. Werth met with the parents of the Namoo Teens and chaperoned the dance.

Music was provided by The Scats, headed by Don Ewanchew. There were slow dances as well as fast ones, and a good time was had by all who attended. We wish to extend our thanks to the Namoo Teen Bowling Club, and to the parents and chaperones who helped make this dance a tremendous success.

Platter Party Popular

On May 7th, the Griesbach Teens held a Platter Party at Griesbach School No. 1. The dance started at 8:30 p.m. and ended at 11:30 p.m. "Bouncing Barry Boyd" was master of ceremonies and everyone, including the chaperones, danced and sang to the bouncing records extended by CJCA.

Mr. and Mrs. Crummy and Mr. and Mrs. Budd chaperoned the dance, and all who attended enjoyed themselves thoroughly.

The Platter Party was such a great success that CJCA will be out to Griesbach again on June 3, when the Teens will extend their invitation to the Namoo Teen Club in return for their hospitality. This is an open dance and no admission will be charged.

Plan June Ball

On June 24th the Teens are planning to have a June Ball. Invitations go out to all the Teens and their parents and admission will be \$1.00 per couple. The dance will be the wind-up of the Teen Club for 1960, and it is hoped that the dance will be a big success. The dress will be semi-formal. The band for the big event is yet undecided, but we hope to have one of the bands that plays for the Sergeant's Mess.

Town Talk

By Gloria Honey

The Town Talk this month is about "Ballet in Miniature" to be held for two May 27 and 28 in the auditorium of School No. 1. Such charming personalities as Jack and Jill, Little Bo Peep and many more favorites, known to every child will come dancing out of the delightful storybook world into your hearts. Colorful costumes with swirling skirts will be featured in Dances of Many Lands. Two dances showing the serious side of ballet with its beauty of line, will be presented by the senior students.

Ballet in Miniature presentations have delighted the whole family in the past and this year the students of Miss Marilyn Woodcock have worked very hard to please you again. SEE YOU AT THE BALLET!

While on the subject of Ballet, we are pleased to inform the residents of Griesbach that Miss Marilyn Woodcock has successfully passed her Royal Academy of Dancing (R.A.D.) examinations under Miss Louise Browne, Royal Academy examiner, who recently visited Edmonton while on a Canadian tour from Britain.

Miss Woodcock took two examinations, each of great length, in the one day and results are as follows: Major Elementary, R.A.D., Highly Commendable; Major Intermediate, R.A.D., Commendable.

The newly formed Griesbach Ballet Group, formerly Ballet Mothers, met recently in the Ladies' Staff of school No. 1. Chairman of this group is Mrs. Doreen Meisener and secretary is Mrs. Elsie Salter. The group has a membership of about fifty ladies who are mothers of ballet students. These ladies are very busy at present preparing costumes for the Ballet in Miniature and a lot of credit is extended to them.

The 19th Alberta Dragoons Association annual Army Show was staged in the Jubilee Auditorium earlier this month. Directed by Mr. Jack McCreath, this music-

al comedy took place at a mythical army experimental station in the far, far north.

The following Griesbach residents played a major part in the 1960 edition of the show: Sgt. Phyllis Neale played the part of an auxiliary services Captain. Lt. H. Jeffrey, CD, ARCM, LGSM, directed the PPCLI band in the pit. The 2 PPCLI Corps of Drums, directed by Drum Major Taylor and the Gymnastics team from 2 PPCLI, directed by Staff Sergeant B. Brister, were two of the highlights of the show. Also featured with the Corps of Drums was Drum Majorette Marlene Jackson, who resides with her parents at RCAF Station Namao. The supporting choir was the Glee Club of the PPCLI band, also directed by Lt. Jeffrey. Bandman Campion pleased the crowd, with his mimicing acts and choreography for the show was by Miss Marilyn Woodcock.

Recipe for Teacher's Delight

- 1 Student, moderate intelligence
- 2 Understanding parents
- 1 Reader, burnt edges
- 1 Math book, scribbled badly
- 1 Chewed pencil
- 1 Broken pen point
- 196 Sticks of gum
- 1 Box Day Dreams
- 8 Daily classes
- 3 Night's cramming monthly tests
- 1 Classroom
- 200 Week-day shows

Pour student into school to be used. Add dry ingredients, books, teachers, pen and mix until dissolved. To this mixture, add gum and day dreams. This tends to separate the mixture into two parts: knowledge and lack of interest. Alternate shows and classes, trying to keep as even as possible. This will develop knowledge and increase interest in social affairs. Add 3 night's tests and place in moderately heated classroom for five hrs., 200 days yearly. Serves ONE.

Parents speak of the modern generation as if they had nothing to do with it.

We would like to introduce five lovely ladies this month who call themselves "The Pockets". These gals bowled in the Lucky Strike Ladies' Afternoon league and placed fourth in this twenty team league. They received their rewards at a buffet held at Devlin and we

want you to know that this picture was not taken the same night as the party, but when they took Mrs. Berry literally and called on her for tea — "dressed-up." Left to right: Win Caesar, Molly Berry, Lynes Johnson, Doris Skelton and Edith Ladis.

PPCLI Officers Mess

On the 4th of May a farewell cocktail party was held in honor of Lt. Col. and Mrs. V. R. Schjelderup. A sterling silver salver was presented to Lt. Col. Schjelderup by the officers of the Home Station.

On the 11th of May a cocktail party and dance was held to welcome Lt. Col. and Mrs. C. J. A. Hamilton to the Mess. A buffet dinner was served and music was provided by an orchestra from the PPCLI Military Band.

The next major social event will be the Trooping Ball to be held on the 4th of June following the Trooping Ceremony and an afternoon tea.

Officers who departed from the Home Station during the month of May were: Lt. Col. V. R. Schjelderup, Major A. V. Robbins, Major C. D. McLean, Captain J. Poliquin, Lt. R. G. Wilkes, Lt. D. Ardian and Lt. M. C. Stewart.

Sergents' Mess News

On the 24th of April, 1960, the Sergeants' Mess held its annual shoot at Winterburn Ranges, which proved very interesting. It would appear that a few senior NCO's are quite good shots. Anyway, we all enjoyed ourselves.

On the 30th of April, the Loyal Edmonton Regiment held its Annual Mess Dinner in the PPCLI Home Station Sergeants' Mess, and all mess members were the guests of our Third Battalion. As usual, the dinner was superb.

On the 7th of May, the Home Station Sergeants' Mess held its first Formal Mixed Mess Dinner, the purpose of which was twofold. It commemorated the Battle of Frezenberg, and was our farewell dinner to Lieutenant Colonel and Mrs. V. R. Schjelderup, whom we will miss very much in our mess.

PPCLI Corporals' Mess Report

PPCLI Corporal's Mess Report A new constitution has been drawn up for the Mess and will come into effect at the next Mess Meeting, when all members will be given their own copy. Responsible for the revisions are PMC Cpl. Hatcher and our new Supervising Officer Capt. M. E. Carleton-Smith. Other changes will include a remodelling of the lounge to include a new wall and fireplace, and renovation of the sun deck, which, it is hoped, will become a part of the Mess.

Recent events were a Stag and a Bingo Dance, both carried out with much success. Coming events are the Trooping Ball, and a combination initiation - games night. As this is to be the first initiation - games night, it is hoped a good turnout will attend.

New faces in the Mess are Cpl. Burrows from LdSH (RC), Cpl. Hutton, our new para rigger, Cpl. Vold RCASC, Cpl. Gaston RCAMC, and Cpl. Ostrup, recently promoted.

Proud parents announcing new sons are Cpls. Cotton, McKenzie and Prouty. A daughter for Cpl. Hayward.

The Grade Six Student

The boys and girls have now reached another transitional grade which serves as a linkage between elementary and Junior High school. They are vital bundles of energy, full of curiosity and interested in the world around them.

But the young offer different kinds of resistance which must be overcome. The young do not like work, authority or concentration. They are natural anarchists. They must learn to work for they will assuredly have to work the rest of their lives. They must learn to accept duties, responsibilities and authority for if they do not learn it now they will find it very bitter to learn later. They must learn now to concentrate, gradually, so that they can cope with complex problems when they present themselves.

The subject matter, therefore, must be relevant and challenging and motivation essential to arouse their curiosity and to hold their interest.

Their social studies course begins with the relation of geography to the life and work of the Canadian people at the present time, then leads the students into the past to reveal to them how men and women have contributed to the gradual development of civilization. It is assumed that when pupils know something about the beginning, they will understand more about the present.

They have developed skill in reading. They have learnt to read for content, make inferences, restate ideas in their own words, read thoughtfully and express themselves accurately. The poor readers need help in developing technique as they are still inclined to read word by word.

Reading is also an art as well as a skill and as such involves more than word recognition and pronunciation. It is an experience which makes them into different persons. It is a source of unlimited pleasure and satisfaction.

In the language program they have made written reports, presented oral reports, and have written book reports, outlines, summaries and short stories.

The mechanics of fractions, a knowledge of measures and measurement and problem solving are a part of the arithmetic program. The fact that problems need good statements and that the mechanics of arithmetic must be mastered thoroughly, cannot be stressed too strongly.

The science program has helped them develop scientific attitudes. They want to know the what, the how and the why of things. They are encouraged to become more observant, to look at problems critically before expressing an opinion, to experiment carefully and accurately, to withhold judgment until there is enough evidence to permit a conclusion, to be drawn and to react intelligently to superstitions.

Gradually, there is a bridge being built between the school and the world outside.

The Grade Six Teachers: Miss L. Gorden, Mr. J. Karpiak.

THE RAINSTORM

High up, against a cloudy darkening sky,
A tiny fluttering speck, a night-hawk flies
On his erratic course, and suddenly he
dives,
His zooming wings defying gravity and
space.

The willows and the birches, by the lane
Their lacy patterns stark against the gray
Wait quivering, impatient, for the rain.

A breathless hush, "the lull before the storm"
And then upon a freshening breeze is borne
The sound of rolling drums and marching hordes
And silv'ry from the sky, the raindrops pour.

Then there's the department store that
advertised a maternity dress that will
make the mother-to-be look "strikingly feminine."

LADIES' BINGO

The last ladies' bingo was held on the evening of May 4, 1960, with 246 ladies in attendance. The winners were: Mrs. Cole, ladies' wrist watch; Miss S. Roe, thermos jug, Mrs. Fisher, electric coffee percolator; Mrs. Roirier, kitchen wall clock; Mrs. Skelton, hair dryer, Mrs. Charles, table lamp; Mrs. Roe, ladies' electric razor; Master Roy Fisher, camera; Mrs. Charles, clock; Mrs. McDonald, toaster; Mrs. Joiner, picnic cooler; Mrs. Ahearn, consolation prize — bread box. Door Prizes: Miss Moody, portable Bar-B-Q set; Miss Carol Young, China figurine. Consolation prizes: Mrs. aMrenko, Mrs. Lieberg, Mrs. Lieberg, Mrs. Astles, Mrs. Kliewer, Mrs. Russell.

It has been most gratifying to see the response to these bingos by the ladies of the community. Through their efforts they have provided those few extra dollars to the Association which are so badly needed to finance community projects. To each lady supporter of these bingos, a hearty thank you is extended from your Ways and Means Committee.

During the last ladies's bingo held May 4th, 1960, it was announced that the next bingo would be held June 1, and the jackpot prize of \$200 would be given away regardless of the number of calls made.

Certain of the ladies at the last bingo suggested that the jackpot should be played for in one of the following ways, rather than one game for \$200: (a) two games of \$100 each; or (b) four games at \$50.00 each.

The above suggestions were taken under consideration by the Ways and Means Committee of the Griesbach Association and it was decided that in fairness to all participants the jackpot bingo would be played in one game for \$200.

It was also announced at the last ladies' bingo that the bingo to be held June 1st would be a mixed bingo; i.e. open to all residents of Griesbach. It was not intended at the time the announcement was made that the jackpot game would be open to everyone attending. The ladies of the community have been responsible for building the jackpot to date and so the jackpot game should be played by ladies only. Conceivably any male person in the community could attend the next bingo and win the jackpot if some restriction was not made. Therefore, your Ways and Means Committee has deemed it advisable to restrict playing of the jackpot game to ladies only. However, the Committee has decided to have available a worthwhile consolation prize for the first gentleman to fill his card in the jackpot game.

Tournament 13th May

Oh, what fools these mortals be! Shakespeare's words were amplified on Friday, 13 May, when 47 divot diggers braved the elements of "sunny Alberta" and played the second tournament of the season.

The morning play found the larger number of the entry participating, and though they had a steady rain to contend with, it could not compare to the raging blizzard that confronted the afternoon players.

On a clear day the drives coming from the tee box sounded like a sharp crack of a rifle, but on Friday they compared favorably with the sound of someone hitting a wet, soggy tea bag.

All non-golfers are again warned that this could happen to you when the "bug" bites. No other sportsmen could be so avid as to slosh around 18 holes of a golf course with the snow and rain so heavy at times as to cut visibility to a few feet. But his is the true avid golfer. Oh, don't get the idea he is to be pitied — far from it. No, good weather or foul, the divot digger will press on hoping that perhaps this will be the round to set him aside as the one who broke par.

The following are winners:

Gross 1 - 18 holes, S. Sgt. Milbraith, 84. Gross 2 - 18 holes, Capt. Buxton, 86. Gross 1 - 1 - 9 holes, Capt. Jaques, 40. Gross 2 - 1 - 9 holes, Sgt. Tuttle, 42. Gross 1 - 2 - 9 holes, Sgt. Thompson, 42. Gross 2 - 2 - 9 holes, S. Sgt. Thompson, 44. Nets 1 - 18 holes, Capt. Werth, 71. Nets 2 - 18 holes, Const. Moss (RCMP), 72. Nets 1 - 1 - 9 holes, Capt. Woodcock, 33. Nets 2 - 1 - 9 holes, WO2 McIntosh, 34. Nets 1 - 2 - 9 holes, Capt. Lucas, 34½. Nets, 2 - 2 - 9 holes, WO2 McMahon, 36. Hidden Low 17th, Const. Lavallery, 2. Hidden High 18th, Lt. Wilson, 9. Honest Golfer, S. Sgt. Johnson, 138.

If we continue to have the excellent turn out for tournaments as we have had in the past, this year will rate as the best ever for golfers.

Don't forget the tournament to be held on June 10th, and this is an invitation to all golfers and would-be golfers who have not as yet joined the club to get with it. That's "fore" for this month in golf.

Open Letter to Boys' Hockey Committee

Your report of 4th April, 1960, which you submitted as the Chairman of the Griesbach Boys' Hockey League for 1959-60, which dealt with the League's activities for the season just past, has been received.

It is apparent from comments by residents of Griesbach, in particular by the boys who participated in the programme, that the recreation and raining provided by our Boys' Hockey League was well organized and efficiently operated. Such a success is of course due almost entirely to yourself and your committee who voluntarily put forth such a great amount of time and effort towards this worthwhile activity.

Your comprehensive report and particularly the sound recommendations contained therein will be most helpful for next year's league and is greatly appreciated.

I take this opportunity, on behalf of the people of Griesbach, to most sincerely thank you, your committee and sub-committees for this considerable contribution to our Community. You are all to be congratulated on a job well done.

Chairman, Griesbach Association.

BOXING

On Monday, May 16th, a boxing card was held in the Sales Pavilion to raise funds to send the Alberta team to the Olympic Trials in Montreal in May.

Our thanks go out to the Regimental Depot of 2 PPCLI, who added their support to the card by providing two willing teams. Both teams went at it hammer and tongs and the milling bout ended in a draw. We must also thank Sigm. Madson and Pte. Stenson for putting on such a good show in the blindfold act. Their bout really went over with a bang.

Congratulations are also due to Harvey Reti, 2 PPCLI, for putting on a real good bout against Ron Anderson of Drayton Valley. This was the feature bout of the evening and ended a perfect night of boxing.

We must say how pleased we were to see the RCAF Youths' Judo Team from Namao taking part on the card. They gave a grand exhibition of Judo, both boys and girls really going all out. Congratulations, LAC Burrows, for the fine showing of your group.

It wasn't too long ago that you could finance a pretty good war for what six months of peace costs today.

2 PPCLI Soccer Scene

With our Dragoon Cup loss to Edmonton Scottish eliminating us from the early soccer schedule, we are now only waiting for the unpredictable weather to change, to start our regular league play.

The team will find competition considerably harder this year than in previous years, competing with seven other teams in the city's first division, and playing a league schedule of sixteen games.

Pre-season training was conducted for prospective players, but with the exception of Pte. Otto Heinrich (PPCLI Depot) who stood out in the team's loss to Scottish, no new players were able to crack the 1st team line-up.

Injuries suffered in early season games are responding to treatment, and with the exception of Pte. Roger Kenny, (still in hospital) with torn knee ligaments, the team should be in top physical condition for our first league encounter.

A full league schedule will be published at a later date.

GOLF NEWS

The Driving Range

Well, our Engineer friends finally got the grass cut and the driving range looks a lot better. A stock of range balls has been purchased, so there is no call for the learner golfer to hold back now. 10 SDB is administering the issue of balls — open all day. Please remember.

Griesbach Golf Course

As a trial, three holes will be laid out with tee markers and temporary greens complete with flags and cups. These, and further holes, will be developed as the demand warrants. Play on this course is restricted to members of the Griesbach Garrison Golf Association.

Junior Golf Instruction

A set of Junior Golf Clubs is expected and will be available on loan from 10 SDB for Junior Instruction. This will be limited to children of ten years and up WHO MUST BE SPONSORED BY A GOLF ASSOCIATION MEMBER. If the usage warrants it, additional clubs may be procured.

THE "HA" TROPHY will be played for the third year on June 2nd between the Command Officers and Sergeants' Messes. The Officers are determined to effect an exchange of trophies. So far each mess has won once.

THE NAMAOGOLF COURSE — We now have twenty members in the Lancaster Park Golf Club. A challenge against the RCAF is contemplated.

Griesbach Boys' Soccer Club

The boys are really working harder now that soccer is under way. Unfortunately the weather has been somewhat damp and practices have been restricted. Nevertheless the boys are coming along and are taking part in the City League. Our first game saw us lose to Prince Charles School 3 to 0. The boys did well considering it was their first game and in the majority of cases, their first try at soccer. The second game saw the score 3 to 1 in favor of Westwood Jets. This was a much better game although the officiating left much to be desired.

The schedule is as follows:

Monday, May 23rd — Griesbach vs Dovercourt.

Wednesday, May 25th — Griesbach vs Kingsway Clippers.

Saturday, May 28th — Griesbach vs Westwood Rovers.

Monday, May 30th — Griesbach vs Namao Sabres.

Wednesday, June 1st — Griesbach vs Namao Boxcars.

Wednesday, June 8th — Griesbach vs Prince Charles.

Monday, June 13th — Griesbach vs Namao Sabres.

Wednesday, June 15th — Griesbach vs Westwood Rovers.

Saturday, June 18th — Griesbach vs Westwood Jets.

Monday, June 20th — Griesbach vs Dovercourt.

Saturday, June 25th — Griesbach vs Kingsway Clippers.

NOTE: At the present time games are being played on the 2 PPCLI soccer pitch.

Our question is "Why isn't soccer taught at school?" It used to be at one time.

2 PPCLI Sports Report

The Canadian Army Boxing Finals were held in Regina from March 31 to April 2. Western Command won 15 of the 18 championships, thus achieving the most lopsided victory ever attained in Army level boxing. Eleven Army champions came from the Patricia's with seven of these from the Second Battalion. The seven Second Battalion champions were: Pte. Crowell, Pte. Whitehead, Pte. Hartmann, Pte. Reti, Pte. Thompson RS, Pte. Thompson, JW, and Pte. Petit. A close decision in the finals of the welterweight division was lost by Pte. Cameron of the Second Battalion.

On the 6th of June the Battalion Track and Field Meet will be held. Top competitors from the battalion meet will represent 2 PPCLI at the 1 CIBG Track and Field Meet in Wainwright on the 26th of June. Company Track and Field, Tug-of-war, Fastball and Volleyball teams are turning out daily to train between 1530 hrs. and 1630 hrs. for the battalion meet. From all accounts, 2 PPCLI should field very adequate representatives from the brigade meet in Wainwright.

The 2 PPCLI rifle team will compete in the Command and Area rifle competition to be held at Sarcee on the 1st to 3rd of June.

GRIESBACH BOYS' LITTLE LEAGUE

Presently General Staff Officer (3rd Gr.) at Headquarters Western Command, Edmonton, Maj. Mills will be posted to the 2nd Battalion, Princess Patricia's Canadian Light Infantry as a company commander in August.

Major Mills enlisted in the Queen's Own Cameron Highlanders of Canada as a private in 1939 and took part in the Dieppe Raid in 1942. At the outbreak of the Korean action he enlisted in the 2nd Battalion PPCLI and saw action with that unit in Korea, where he was awarded the Military Cross in 1951.

Prior to his present appointment, Major Mills was an instructor and adjutant at the Canadian Joint Air Training Centre at

ARMY DAY MAY 28

OTTAWA — Ceremonial parades, national survival demonstrations and displays of equipment will mark the 105th birthday of the Canadian Army on Army Day, Saturday, May 28.

In cities, towns and major camps from Newfoundland to British Columbia, Canadian soldiers will offer a glistening array of the men, equipment and arms essential to the defence of Canada.

Army Day is held annually on the fourth Saturday in May, corresponding as closely as possible to the anniversary of royal assent being given to the Militia Act of May 19, 1855, the document that gave birth to the Canadian Army.

Demonstrations of national survival operations and equipment by both Regular and Militia units will be the major activity across the country.

Camp Gagetown, N.B., will present a programme including a retreat ceremony and an artillery shoot. In other centres in the Maritimes units will show national survival training and equipment.

Regular and Militia units in Montreal will participate in a massed parade including bands and equipment. In Quebec La Citadelle will be open to the public where they will see the changing of the guard and retreat ceremonies. The Plains of Abraham will be the site for Tattoo ceremonies.

Toronto will witness the annual church parade by militia units of the Toronto Garrison.

In Winnipeg, the Army Day show will include gymnastic, drill, artillery and band displays and demonstrations.

First Griesbach Guide Co

It has been a busy spring for the Company with many varied activities. Thanks to the Scouts for the wonderful dance given by them for the Guides on camp. An evening of beautiful coloured slides of Europe was enjoyed by all the Griesbach Brownies and Guides in April and First Company gave their adopted Grannny a belated birthday party.

There has been plenty of work to do as well and Patrol Leaders of all three Companies took part in PL training during the Easter holidays. Two Rangers, two Rovers and Mrs. McGeachie came out from Edmonton to assist. Captain Parker of 3rd Company accompanied an assorted band on a Four Mile Expedition to the Parliament Buildings, as part of the training.

Hikes on Saturday mornings continue to give practice and a chance for fire-lighting tests.

First Griesbach Guides attending lectures for the Woodman's Badge include: Carol-Anne Wray, Susan Buxton, Lynda Montalbetti, Sharon Armstrong and Captain Montalbetti. One very interesting and strenuous part of the test for this badge is the actual planting of trees and a trip was made to the city nursery for this purpose. An Alberta Forest Officer is giving details of conservation, good forestry practise and an elementary discussion of the logging industry. Recognition of different trees are also included in the course.

Guides in the Company with their Second Class Badge are: Carol-Anne Wray, Susan Buxton, Marilyn Kitchen, Lynda Montalbetti, Margaret Taylor, Sharon Armstrong, Linda Mooney, Linda Charles, Lesley Hennie, Linda Coates, Beverley Ritchie.

Other Badges earned lately have been Hostess: Sharon Armstrong, Margaret Taylor; Athletes: Linda Mooney, Sharon Armstrong.

Service Stars are awarded to Guides who attend at least 75 per cent of the regular meetings and otherwise prove their sincerity. Time is counted from the date of their enrolment.

2 year Stars have gone to Marilyn Kitchen, Linda Coates and Carol-Anne Wray.

1 year Stars to Sandra Shoop, Linda Mooney and Lynda Montalbetti.

The annual Mother - Daughter Banquet was well attended and thoroughly enjoyed. We wish to thank again those fathers who served and those who stayed home so mother could be with us.

Congratulations to Tawny Owl Webb and Captain Parker who have received their warrants. Good work. Good luck to Brown Owl McLean who has left for Smith's Falls.

Welcome to Julie Mandziuk, who joins us from the Vancouver area.

Recently Donna Ardilian, Irene Chamberlain and Patricia Ritchie made their Promises and the whole Company is enrolled. However, I hear rumors that within a week or two there will be two or three Brownies coming up so we won't have time to forget our Tenderfoot work.

There are plans afoot to make the last few meetings a bit unusual, so we may have some interesting things to report next time.

2nd Griesbach Girl Guides

Just a note to let you all know the 2nd Griesbach Company is still quietly grinding away.

Since we last wrote there has been considerable activity within our company — Cookie Day, a Candy Sale, many test tried and passea, patrol leader training and a four mile expedition for all second class guides.

The icing was applied to the cake on the evening of Friday the 13th of May when the girls entertained their mothers at the annual Guide and Brownie Mother and Daughter Banquet. At this banquet we presented badges and awards earned during the past month. They were as follows: Sharon Parker, Life Saver's Badge, Laundress Badge, Needlewoman's Badge, Little House Emblem, Ann Bolster: Minister's Badge, Religion and Life Emblem. Second Class Badges: Lynn McKerracker, Theo Youmatoff, Barbara Mazerall, Heather Coutts, Linda Taylor, Gwen Green.

We have had quite a successful year and at this time we would like to express our thanks to those who have willingly given their time to make our projects successful. Mrs. Murphy, who will be our new Commissioner, has successfully run a baby-sitter's course for all Griesbach Guides and has given a course in Patrol Leader training; the fathers and mothers who have supplied transportation; those who so willingly donated candy to our sale and those who helped pack it; the Catholic Women's League of Our Lady of Fatima Chapel for giving us the candy booth at their bazaar; our Commissioner Mrs. McPherson who is always prepared to help in any emergency no matter how great the demands on her time; and our ever faithful Badge Secretary, without who's efforts our plans would often go awry.

We would like at this time to add our appeal to that of the Commissioner's for a Guider for the No. 2 Company. Our leader will be leaving us in June of this year due to a posting. She knows as well as everybody else what will happen if someone does not come forward soon and offer their services to be our leader. Please won't YOU think it over. It isn't very hard and we'll try to do our best to make you proud of us. The time is now, so please don't wait — if you are interested, we meet on Tuesday evenings at the Number 2 School and we would love to meet you.

PLEASE Don't Let Us Down — We NEED You!

Daughters Fete Mothers

A most successful Mother and Daughter Banquet was held in the PPCLI Men's Mess on May 13.

Forty-eight badges were presented to Brownies and Guides. These girls are to be congratulated on their accomplishments and the Guiders for their efforts and time spent assisting the girls.

The Brownie and Guide Mothers Local Association and all the Brownies, Guides and Guiders would like to express their

sincere appreciation to Mrs. McPherson for all the work she has done as commissioner and as President of the Local Association. She has given up a great deal of her time and has worked untiringly for the Girl Guide Association of this camp.

We shall greatly miss her and we all send our very best with her in the future.

2nd Griesbach Pack

We had a very successful Mother and Daughter banquet on May 13th. We were very pleased to see nearly all the mothers in attendance.

The last seven of our Tweenies will be enrolled on June 3rd; and Parents, we hope to see you on this occasion as well.

Congratulations are in order for the following Brownies this month: Shirley Crerar on receiving a Collector's Badge and Writer's Badge; Clea Lessard and Dianne Jour-

dain, Golden Bar; Clea Lessard, Janice Commance, Judy Laboucane, Sharon Nash, Susan Stewart and Darrell Hall, 1st year Stars.

There are just five more meetings left for this season; so let's have a perfect attendance. Don't forget Brownies, if you are moving over the holidays, to get your record and transfer sheet before you go.

CHURCH NEWS

Schedule of Services:

Sunday, May 29th — 0930 hrs., Holy Communion ACC.

1100 hrs., Morning Worship.

Sunday, June 5th — 1100 hrs., Morning Worship.

1200 hrs., Holy Communion ACC.

Sunday, June 12th — 1100 hrs., Morning Worship.

Sunday, June 19th — 0930 hrs., Choral Communion ACC.

Sunday, June 26th — 1100 hrs., Morning Worship.

0930 hrs., Holy Communion ACC.

Just a few words about the services as outlined above. You are reminded particularly of the closing Sunday School Rally on June 5th at 11:00 a.m. There will be special envelopes supplied for this service in order that the Sunday School children may complete the collection for the window which they have bought. We do ask you to use these envelopes and show the children that if they can gather the bulk of the money through their nickels and dimes over the last two years, that you can help them out with your dollars now that their goal is in sight. The only other service which is a little out of the ordinary will be the Choral Communion Service on June 19 at 9:30 a.m. at which time I will be celebrating the 4th anniversary of my Ordination. I do hope to see a good turn out and especially I would ask all those whom I have prepared for confirmation in the last 2½ years, to join with me in this celebration.

All the Chaplains will be away the week of June 6th to 13th at their annual retreat. The service on June 12th will be conducted by Sgt. E. E. Mazerall with Capt. K. Parton of 224 RCME Wksp as guest preacher. We hope you will turn out in full force to support these two Laymen.

Please note that there will be no service of Holy Communion according to the rites of the Anglican Church of Canada throughout July or August.

Before the next issue of the Bugle comes out, summer will be upon us. A large percentage of the men will be away at summer camps, concentrations, and a dozen and one of the odd jobs that always crop up during the fine weather. This will mean that the camp will be populated largely by the wives and children with a fairly small number of men who have been left behind for one reason or another. At the risk of sounding like St. Paul, I would give you this advice: Wives think of your husbands and wait patiently for their return, for they are busy earning your daily bread; children obey your mothers and help them all you can, for they are lonely and tempers may be short; husbands remember your wives who are keeping the home running smoothly and try to drop them a cheery postcard

as often as possible and to all I add this: The separation during the latter part of June and July can be more than compensated for by the leave coming up in August when you can be together and enjoy each others company. Above all, and I say this in all seriousness, pray for each other, keep busy, and be patient and the time will pass very quickly.

Advance notice is given that throughout the months of July and August normal Sunday Morning Worship Services will be held at 10:00 a.m. each morning rather than the usual 11:00 a.m. in order to give everybody an opportunity to get away for a longer day in country.

THE PADRE.

St. John's Chappel WA

Regular meetings of the W.A. have been held in the Chapel Conference rooms April 26 this group had the pleasure of having as their guests the C.W.A. at a Pot Luck Supper and Mad Hatter's Party. The winner of the best hat was Mrs. Carter. Runners-up were Mrs. Mary Robertson, Mrs. Loraine Budd and Mrs. Anne Wray. Judges were Padres Youmatoff and St. Arnaud. The evening proved very successful and hilarious, with good food too.

On May 11, the W.A. held a coffee party for the Anglican Church Confirmation class, their families and friends.

On May 10, Padre Youmatoff presented a film entitled "Adventure in Faith", on the Christian Medical Hospital, Vellore. This was followed by a question period on the film.

On May 24, the guest speaker will be Mr. Boyd from Boyd's Flower Shop and his topic will be Flower Arrangements. It is expected this topic will be demonstrated.

On Sunday, May 29, at 8 p.m. in Chapel Rooms, Dr. C. Jackson, a missionary doctor at Ludhiana Vellore will speak to the W.A. Any interested persons in the community are cordially invited. This will be of great interest to the W.A. as the mission at Ludhiana Vellore has been one of their projects for eighteen months. This mission is also one of the many members of World Refugee year and it will be worthwhile hearing Dr. Jackson.

OUR LADY OF FATIMA CWA

The annual Mothers' Day Tea and Bazaar was a real success and this group would like to thank its many neighbors and friends who helped and attended.

The money tree raffle was won by Rose (Chicken) Lawlor; the electric clock by Bruce Robertson; Father St. Arnaud won the Budgie bird. Mrs. Hector took home the beautiful Mother's Day Cake. Mrs. E. R. Thompson won the flowered foam cushions and a city visitor won the lamp.

On April 26 the C.W.A. members were guests of the St. John's Chapel W.A. and entertained at a pot luck supper and Mad Hatter's party. The C.W.A. ladies enjoyed every minute of this wonderful evening.

Anatomy is something everybody has, but it looks better on the feminine gender, and to prove our headline preamble, just read on:

She stood sweetly posed at the corner
To be sure that she could be seen.
Now poor Joe needs a mourner;

He didn't notice the light wasn't green.
It's a big temptation for males to gander too long at the shapely females seen along the way, and like Julius Caesar, upon seeing Cleopatra for the first time, say, "Wow! A perfect XXXIII, etc., etc.", but it is best to remember that this is just another way for a usually careful driver to end up in a smashup!

The guy who burns me up is he
Who gives his horn a blast
And nearly off the road crowds me
As he goes racing past;
Then when he's gone about half a block
(This makes me mad as hops)
He swing sharply to the right
Pulls up to the curb and STOPS!

This stop-spurt-stop-and-go guy is a highway hazard by reason of his unreasonable driving performance. He (or she) is really a traffic trouble-maker because they can and do irritate and tease until sometimes a normally good and sensible driver can lose his temper for a split second and commit some unsafe act which could lead to an accident. Don't let those crazy characters influence you into giving up your own smooth driving for traffic tag games.

BIRTHDAY BLESSINGS

This month we extend our warm wish for "many happy returns of the day" to Susan Barbara Brodie (15 June) and to Juliette Lessard (18 June) (who now has good reason to complain).

Notable Notes

Elephants have very poor eye-sight. In fact, the elephant is so near-sighted that it has to depend on the senses of smell and hearing to give warning of potential enemies. You have the gifts of sight and common sense, so use them when you are behind the wheel of an automobile.

Remember — Knowledge is what you learn from others. Wisdom is what you teach yourself. You need both to drive sanely and safely.

Ain't it the Truth — It's not at all reassuring anymore to say that you are as "sound as a dollar".
